

GIVE THANKS GIVE BACK

Throughout the month of November, Oakmont will be collecting money for numerous charities instead of collecting throughout the school year. Students can make donations to whichever causes they choose, and they can give as often as they'd like. Donations can be made daily until 9am in the school lobby each school day in November. You may donate by cash or check (made payable to OES, please.)

These are the available charities:

CASA (Court Appointed Special Advocates)

CASA is a nonprofit organization that works tirelessly to advocate on behalf of children in foster care due to abuse and neglect. Volunteers navigate healthcare, school systems, therapeutic interventions, foster care, and more for the children of Dickson County.

Dickson County Help Center

The Dickson County Help Center collects donations to help people in our community. They provide food, clothes, shoes, blankets, heat, and medicine to those in need. 100% of money collected at Oakmont will go to people here in Dickson! Please help by donating!

Habitat for Humanity

Habitat for Humanity partners with the community to help build and improve homes. Habitat homeowners build with volunteers and pay an affordable mortgage, helping them achieve the strength, stability, and independence needed to build a better life.

Humane Society of Dickson County

Humane Society of Dickson County gives voice and shelter to unwanted, abandoned, and abused animals in Dickson County. Your kind donations will allow them to provide a clean, safe, and healthy environment for these animals.

Jump Rope for Heart (American Heart Association)

Jump Rope for Heart gives students a chance to raise funds for children with special hearts and provides students with opportunities to develop and learn about heart-healthy habits. You may visit <http://www2.heart.org/goto/OakmontElementary> to learn more.

Make-A-Wish Foundation

Make-A-Wish Foundation arranges unique experiences, known as "wishes," to children with life-threatening medical conditions. The Foundation has been active in Dickson County for years, and with your support, we hope it will continue to thrive.

Mallory's Miracle Children's Charity

Mallory was a sweet former Cougar Cub with a sincere desire to help others. Mallory's Miracle honors her by assisting families with financial hardships related to childhood illness and by donating to pediatric cancer research. **Please visit mallorysmiracle.com.**

Pennies for Patients (Leukemia and Lymphoma Society)

Leukemia and Lymphoma Society is dedicated to finding cures for blood cancers. Their Pennies for Patients program raises money to fund research for therapies that save lives. Spare change can make a big difference.
